Disclaimer:

The special Sunday pricing offer is available exclusively to self-pay patients and applies only to imaging services provided by Precision Imaging Centers on Sundays. This discount is offered to assist patients in managing their healthcare costs and to provide more flexible service options.

Please Note:

- 1. Eligibility:** The Sunday special pricing is available only to patients who are uninsured or who elect to self-pay at the time of service.
- 2. Coverage and Services:** The Sunday special pricing applies only to imaging services provided on Sundays by Precision Imaging Centers based upon availability at each of our centers.
- 3. Changes:** Precision Imaging Centers reserves the right to modify or discontinue the special Sunday pricing program at any time without prior notice.
- 4. Non-Refundable:** Payments made under the special Sunday pricing are non-refundable, even if the patient later decides to submit a claim to their insurance provider.
- 5. No Insurance Claims:** Services provided under the Sunday special pricing will not be submitted to insurance for reimbursement. Patients will not receive a claim form for these services.
- 6. Payment:** Payment in full is required at the time of service.

To take advantage of this special Sunday pricing, please contact our scheduling department at (904) 996-8100 or visit our website at <https://precisionimagingcenters.com/>

We hope this special pricing offer will provide you with the flexibility and affordability you need to access our high-quality imaging services. Thank you for choosing Precision Imaging Centers for your healthcare needs.

Important: This discount does not constitute insurance and should not be considered as a substitute for health insurance coverage. Patients are encouraged to consult with their insurance provider to understand their coverage and benefits for imaging services as this could impact your follow up services needed and it's your responsibility to contact your insurance

*Self Pay Rates are subject to change at any time
